Dear Parents and Community Members,

The senior students have arrived safely at camp and from the messages I am receiving, they are having a great time already. I hope all the parents are coping without them and as a parent myself, I understand how difficult it can be. Just remember the fantastic experiences they will have and the time will go very quick. We are looking forward to the stories they will have to share when they return. With record snow falls, it is a great time to go.

The Munglinup students visit to Cascade has been a great success with a pirate theme for the first two days. On day one the students have made hooks, eye patches, wanted posters and started story boards. Miss Collins has story balls planned for day two where the students will use their story board to generate the whole story. During recess and lunch the students are playing together and forming friendships which are fantastic to see. We can’t wait for their next visit in week ten.

Ms MacNish and Miss Collins attended the Letters and Sounds professional development session this week in Perth and both felt it extended on their understanding and knowledge of the program and was extremely inspiring. This program is currently in the junior room to support the development of student’s letters and sound knowledge for reading and writing.

Ms MacNish, Mrs Stewart and Mrs Eveston also attended professional development in Perth on the weekend which was related to sensory and speech development. This was a great opportunity to further develop their understanding and there is an extension on the course via the web.

In week ten reports will be sent home on Thursday so if there are any students that will not be attending school in the last two days of the term to collect their reports, we will post them to the address recorded at the school. If you would like the reports stored at school for you to pick up in term three, could you phone or email the school and we will be happy to do that.

Thank you to all the parents who have assisted with issues at the school houses with the satellite. This is now resolved and both houses are connect-ed. The support you show as a community is fantastic and really welcoming. The new house is looking great just a few more little things to finalise and it will be complete.

I would like to finish with some exciting news that a grant that we applied for at the beginning of the year has been successful and we will have funds available through the 2014 Playground Equipment and Shade Shelter Program. I will update you as soon as more details come through.

Have a great weekend

Kind Regards

Sarah Sims
Principal
Yesterday and today, the pre-primary to year 4 students of Munglinup Primary visited our school. Over these two pirate themed days students have created a character, storyboard, wanted poster and finally, put their stories onto a story ball. Both the Cascade and Munglinup students had a fantastic time, not even realising how much work they have achieved. We look forward to Mungi's visit next week with a superhero day and pyjama day planned. On Friday students can come to school dressed in their favourite pyjamas.
It was very unexpected, a scream could be heard from the Principal’s Office. Mrs Sim’s heart did actually skip a beat!!! She has vowed to get them all back at some stage.
Seniors off to Canberra Camp

Thank you to Tanya Hamilton for sending us this photo of the Canberra Campers at the airport.

Jeans for Genes day is coming up in term 3 on Friday 1st August and Cascade Primary School are getting involved. We will be selling the Jeans for Genes day pencil sets (pictured) for $3 each. If you would like to support this fantastic cause you can purchase a set or make a donation in the office.

On Friday the 1st of August students can come dressed in their favourite jeans in support of this cause.

Lockie Leonard, Human Torpedo

An Esperance Anglican Community School production directed by Lyndel Taylor

7.30pm
June 20, 27, 28
Bijou Theatre

Join the cast of young actors from Esperance Anglican Community School as they bring Lockie Leonard to life on the Bijou Theatre stage. This classic Australian teen novel by Tim Winton has been adapted to stage by Paige Gibbs and is an energetic, humorous and – at times – touching tale of a teenage boy dealing with life at high school in a town just like ours. It explores being new, bullies, teachers, surfing, finding love and wetting the bed… Not all at the same time!

Tickets: Esperance Civic Centre, Library, Tourist Bureau or online at esperanceciviccentre.com
$20 adults, $16 school age children
Rating: PG, mild language and teenage themes.
