Dear Parents and Community Members,

Exciting things are planned for this term with our visits to Munglinup starting week three and Munglinup coming to us for their first session in week four. This is a new initiative that we believe will benefit the students academically and socially. An opportunity to work with other students will be a great experience and not to mention different teaching styles. The first two weeks will be evaluated with staff to make any changes necessary. Our plan was to visit Munglinup twice this term however we have decided to add a third visit on the 20th March due to the sports carnival being moved to the Thursday. Permission slips and lunch orders will come home next week for the extra day.

Andrew Dooley has contacted the school regarding the bike path project and it is his priority job which is fantastic news. We are in negotiations with contractors at the moment and I will keep you updated on the progress.

Sports carnival practice is in full swing with morning fitness based on the running activities and a fifty minute sport session on Wednesday afternoons. As we are merging with Munglinup for the Interschool Carnival, we have dedicated 30 minutes at the end of the day on Fridays for the schools to work on team games.

Have an enjoyable weekend and stay safe on the roads.

Kind Regards

Sarah Sims
Principal

LOST & FOUND

1 PAIR OF PURPLE SUNGLASSES.

These fine sun shields were left at Rhiannon’s house after the High Tea Party last year on Sunday 14th December. They have been hanging out at the school in the hopes that their owner would wander in and recognise them, however after months of no one claiming them they are beginning to despair of ever being reunited with their owner. If you have any information, or are the owner please contact the school on 9079 2061 or visit us in the front office.

The Sportsman’s Suite: Mark Howlett Foundation Prints 1991 - 2011 is a showcase of prints produced by 13 established Western Australian artists. Founded in 1991 the Mark Howlett Foundation (MHF) has supported 15 art projects through commissioning mid career artists. Recipients of the MHF commissions are represented in this exhibition with works on paper from the original projects and also new works created to celebrate the 20 year anniversary of the MHF.

This exhibition was first presented at the Fremantle Arts Centre in January 2012.

The Mark Howlett Foundation group exhibition provides a terrific survey of works by some of WA’s most respected and renowned artists. It is an absolute privilege to peruse so many works - collated in one time and place - and be able to appreciate individual artist’s research journeys by drawing visual, material, stylistic and conceptual comparisons between the period of their Foundation funding and very recent works.

The range of works, media and methodologies employed, and overall quality of the artworks is also an excellent educational resource for anyone, whether a casual observer or an established artist. This is an exhibition I for one would enjoy experiencing again many times over.

- Dr Nien Schwarz, Edith Cowan University, 2012

The touring exhibition reflects a compelling survey of Western Australian Art and showcases a diversity of print techniques and methods which will be of great interest to the public. However it is also the small wins and self supporting approach to creating art projects that the Board and Artists want to share with regional communities.
ART ON THE MOVE presents an exciting new exhibition....

The Sportsman’s Suite: Mark Howlett Foundation Prints 1991 - 2011 is guest curated by Andrew Gaynor. Project Coordinator - Penny Bovell.
