Dear Parents and Community Members,

Term 4 is moving along fast. Over the past two weeks, I have been visiting classrooms and it’s great to see the excellent teaching and learning that is occurring.

The school is still waiting for the final cost of swim camp to be provided. Once we have been provided with this cost, all parents will be notified and money will be due.

Last week, representatives from the West Coast Eagles visited Cascade Primary School. The topics discussed in the assembly were informative and the students were well entertained by Rick the Rock Eagle. A small coaching session was run after the assembly where the students were able to develop their football skills. Take a look at the photos further on in the newsletter!

On Tuesday 10 November at 9:30am, Miss Collins and myself will be attending Playgroup to run an information session on the Letters and Sounds Program. This is a synthetic phonics program the school uses from early childhood to middle primary to provide students with the knowledge required to spell. We encourage all parents to come along to find out more information about the program and how you can support this program and your child's spelling development at home.

The school will be holding a Remembrance Day service on Wednesday 11 November at 10:40am. Parents, families and community members are welcome to attend.

Kindergarten students who will be attending our school in 2016 are encouraged to come to our orientation day on Tuesday 17 November. The purpose of this day is to familiarise your child with the school and classroom environment prior to commencing next year. Parents will be required to drop their child off in the morning at 8:50am and come back to collect their child at 12:35pm. On this day, our current Year 2s will be spending the day in our Senior Room to prepare them for their change in classroom environment next year. If you require any more information please contact the office at the school.

Kind Regards

Reece Smith
Principal

YIPPEE – SEE YA ALL THERE
Hello all,

There’s no better day than Australia Day to recognise the achievements of local citizens who go 'above and beyond'.

Has someone inspired our community, demonstrated leadership regarding a community issue or enhanced community life? The dedicated service of local people and groups who contribute to fostering community pride, and making our local community a great place to live, needs to be recognised.

The Premier's Australia Day Active Citizenship Awards focus on community contribution and participation rather than personal achievement. We encourage you to be active in recognising the achievements of your local citizens and community groups and nominating them for a Premiers Australia Day Active Citizenship Award.

There are three awards categories that highlight active citizenship, outstanding contribution to the local community and Australian pride and spirit. Choose the one that suits your nominee:
- outstanding community contribution by a local citizen
- outstanding community contribution by a local citizen under 25 years of age
- outstanding community contribution by a local group or community event

Find out how to nominate today by visiting our website. Nominations close Friday 27 November 2015 and the awards are presented on Australia Day 2016.

Could you please pass this information on through your networks.

“Thank you ICPA”

Anna and Mark Jones and their three children live on a Pilbara cattle station. Through the efforts of ICPA, the In Home Childcare scheme enables them to employ Jarrice to look after 3 year old Olleq while Anna teaches Dyten, 10, via School of the Air. They receive a Distance Education allowance to help with costs in the schoolroom.

Their eldest, Cameron, went away to boarding school in Perth at 13 and Anna says they were only able to afford this with the assistance of the AIO Boarding Allowance, the State Boarding Away from Home Allowance, and the 4 free return flights that they can access through the State Student Subsidised Travel Scheme.

ICPA Branches in WA

What is ICPA?

Established in 1971, the Isolated Children’s Parents’ Association (ICPA) is a national organisation representing rural students and their families at all stages of education and has a large network of branches throughout Australia.

ICPA WA works within your local community. We provide support and assistance to rural and regional families across the state. We advocate and lobby to assist families in accessing appropriate education.

If you require better access to education for your family, the team at ICPA WA can help.

What we do

ICPA WA supports families to access education at all levels from Early Childhood, Primary and Secondary through to Tertiary:

- Small rural and remote schools
- Regional primary and secondary schools
- Government and Non Government
- Distance Education/School of the Air
- Agricultural Colleges
- TAFE and Apprenticeships
- University

We assist with:

- State and Federal Allowances
- Information and Communications Technology
- Special Needs Education
- Boarding Facilities
- Teacher Training
- Tertiary Access
- Early Childhood Education
- Student Travel

How we have helped

The Smith family from the Central Wheatbelt have 3 children. ICPA WA has assisted them by lobbying for:

- a conveyance allowance from their home to the bus stop.
- a bus stop installed to the school bus.
- a graduate teacher program that reflects regional WA.
- special needs education in regional towns.
- achievement of the AIO (Assistance for Isolated Children) and ISAHA (Boarding Away from Home) allowances.
- suitable university and homestay accommodation in regional and metropolitan centres.
